PARENT PERMISSION

- Your student only needs to attend one audition; there will be no callbacks for this show.
- Help ensure your student has completed all paperwork (2 forms) in advance and brings to auditions.
- Theater is a commitment! Help your student be **honest and specific** about other commitments. Indicate conflicting activity, date(s), and times. Communicate if you have schedule changes, ongoing.
- The director has complete discretion to drop someone from the show if attendance/commitment to the show is not what they deem adequate or necessary.
- Considerable effort is spent to establish a rehearsal schedule that minimizes wasted time; inevitably there will be times when students must stay (bring homework, etc.) Rehearsals two weeks before show are mandatory.

I (student name), _____ and my family understand the time commitments required for participation in this PFC/JTC community service production. I understand that participation does not constitute an excuse for neglecting homework or responsibilities to my family.
