

## JEFFERSON THEATRE COMPANY - "ALL SHOOK UP" - April 2012

*All Shook Up* is a musical comedy built around a number of songs made famous by Elvis Presley. (It's NOT a biographical revue.) It takes place in 1955, somewhere in middle America, where one girl's dream and a surprise visit from a mysterious leather-jacketed, guitar-playing stranger help a small town to discover the magic of romance and the power of rock & roll. Among the 24 songs featured in the score are classics like "Love Me Tender," "Don't Be Cruel," "Can't Help Falling in Love," and of course, the title tune.
